

## Tropical Botanical Garden - Specific Provisions

- Concerning the Tropical Botanical Garden (JBT), members or visitors of the community in quarantine, for having been in regions where there is active transmission of the COVID-19 or because they present symptoms that make them suspicious cases, should communicate by email the **Museum and Tropical Research Institute Support Office Director:**  
([vitor.lucas@reitoria.ulisboa.pt](mailto:vitor.lucas@reitoria.ulisboa.pt))  
or to the **Botanical Gardens Unit Coordinator:**  
([cgarcia@museus.ulisboa.pt](mailto:cgarcia@museus.ulisboa.pt)).
- Any member of the community or visitor of the JBT with signs or symptoms of COVID-19 and epidemiological connection, or those who identify a member of the Academic Community with criteria compatible with the definition of a suspicious case, should inform the ones responsible for the Contingency Plan, by telephone:  
**(962 059 813 / 913 965 201/ 965 728 325)**
- The **isolation room for Tropical Botanic Garden** is located on **Floor 1** in the **Board's room** of the **Board's building**, with use, if needed, of the toilet in that floor.
- The **Contingency Plan Team for the Tropical Botanic Garden** is composed by the following co-workers who, if needed, should be contacted by the following order:
  - o **César Garcia** - Coordinator of the Gardens Unit  
**(965 728 325);**
  - o **Vitor Lucas** - Coordinator of the Museums and Tropical Research Institute Support Department  
**(962 059 813);**
  - o **Diana Carvalho** - Education and Exhibitions Unit  
**(913 965 201);**
- In the isolation room there is a **diagnostic survey** that must be filled for suspect cases of infection by COVID-19.
