

Call for Abstracts

The 2nd Annual Conference of redeMOV will take place on May 5, 2017, during the 3rd ULisboa Innovation Week. redeMOV's 2nd Annual Conference is a forum for the presentation of scientific and technological advances and also research results in the fields of **Urban Mobility and Transportation**. This year, under the theme "**Urban Mobility Innovation for a Changing Society**", redeMOV brings together national and international leading scientists and stakeholders in the Urban Mobility and Transportation fields.

redeMOV invites ULisboa academics and researchers, preferably ULisboa young scientists, to submit abstracts to be presented at the conference. Topics of interest for submission include:

1. Urban mobility in a changing society
2. Intermodality, sustainability and vehicle ownership
3. Better information for better decision and more intelligent use of transport systems
4. Governance and quality of decision making
5. Managing stakeholders relations (information, participation, popular education)
6. Active mobility modes (walking and cycling)
7. New business models towards flexibility
8. Integration with urban freight distribution
9. ICT and vehicle- infrastructure technologies
10. Integration with land use

Please find the **Abstract submission guidelines and instructions** [here](#).
