

3rd Innovation Week | 3rd and 9th of May, 2017

Abstract submission guidelines and instructions

- Abstracts must be submitted in English;
- Each abstract is limited to 300 words and up to 5 keywords must be indicated.
- *Abstract Topic*: Please indicate the “Topic of interest”.
- *Title*: Your abstract title must be written in ‘Sentence form’. No abbreviations are allowed in the title.
- *Authors and Institutions*: Please include all authors’ names and affiliations as shown in the example. Presenting author, from ULisboa, must be identified by underlining respective name.

António Silva¹, Maria Ana Santos² & João Gomes³

1 Institution, Address, e-mail

2 Institution, Address, e-mail

3 Institution, Address, e-mail

- *Abstract Body*:
Abstract text should consist of the following sections: Introduction; Materials and Methods; Results; Discussion and Conclusion. Acknowledgments may be included (e.g. funding information). Section titles should not appear in the text but the abstract must follow this content and order. Please make sure to start a new paragraph for each section.

Your abstract body can have a maximum of 300 words.

Abstracts should be written in ‘Sentence form’.

Use standard abbreviations for units of measure; other abbreviations should be spelled out in full at first mention, followed by the abbreviation in parenthesis (exceptions: RNA, DNA, etc.).

Tables, charts or other figures are not permitted.

Do not include any reference citations or commercial advertising.

- *File format*: only word documents (.doc) are permitted.

Please proofread your work carefully before submission and ensure all submission details are correct. Abstracts will not be copyedited.
